

## CANOLA TECHNICAL FACT SHEET

# 45Y93CL

### Y Series® Clearfield® Herbicide Tolerance

Our longest maturity Clearfield® hybrid with the flexibility to plant early and take advantage of grazing opportunities. This mid-maturity Y Series® hybrid exhibits extremely high yield potential and maintains the benchmark in this segment. The phenology and mid maturity makes this hybrid a perfect choice for high yielding environments where early sowing is desired.

### Key Features

- This exciting Y Series® hybrid demonstrates outstanding returns through the combination of very high yield potential, consistency and added economic benefit of very high oil content
- Mid maturity (5), displays early flowering habit, ideally suited to high yielding environments and irrigation
- An outstanding agronomic profile adds flexibility and aid ease of management in high-yielding crops
- Delivers exceptional early growth resulting in superior crop competition and early canopy closure which enhances weed control and reduces weed seed-set
- Recommended planting partner to Pioneer® 45Y95CL
