P13063 IT

Pioneer® brand Corn performance information

Newest genetics packed with yield, agronomics and herbicide tolerance.

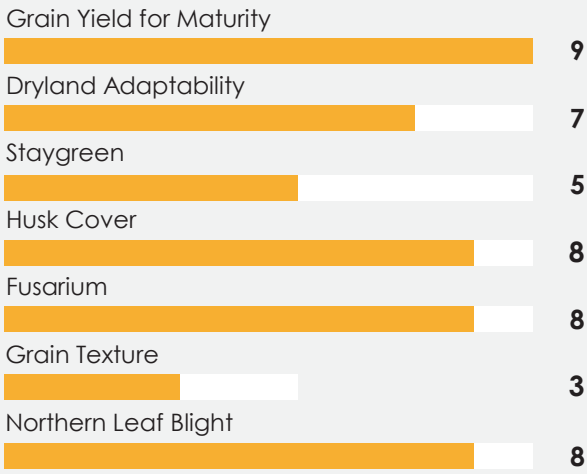

Moderately tall hybrid with excellent standability.

- Well-suited to most environments with excellent yield for maturity and well rounded agronomics.
- Moderate staygreen helps get to harvest quickly in southern environments with a shorter season.
- Imidazolinone herbicide tolerance for in-crop management of summer grasses.

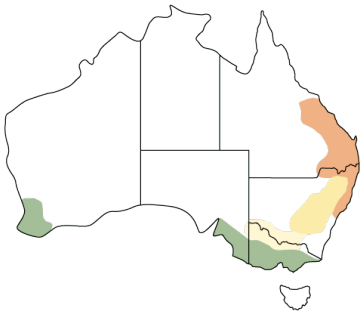

P13063 IT is a great mid maturing option for growers chasing reliability and flexibility.
