P13063 IT

Pioneer® brand Maize performance information

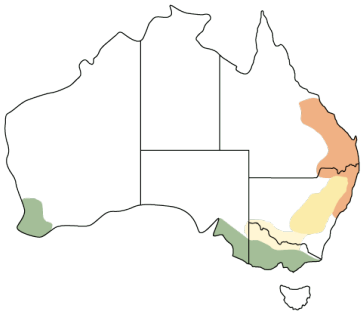

Newest genetics packed with yield, agronomics and herbicide tolerance.

Moderately tall hybrid with excellent standability.

- Well-suited to most environments with excellent yield for maturity and wellrounded agronomics.
- Moderate late-season plant health helps get to harvest quickly in southern environments with a shorter season.
- Imidazolinone herbicide tolerance for in-crop management of summer grasses.
- Competitive silage yields with P1315 IT with greater standability.

P13063 IT is a great mid-maturing option for growers chasing reliability and flexibility.
