P1729

Pioneer® brand Maize performance information

Tall all-rounder that won't disappoint.

Well-balanced, full-season hybrid that delivers consistent, reliable yields with excellent agronomics.

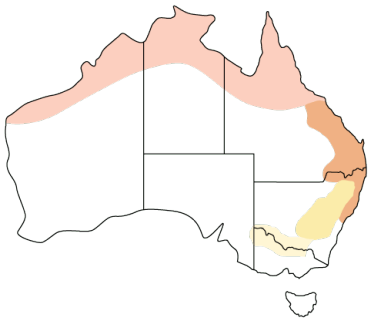

- Excellent drought tolerance and standability – foliar health drives top silage yields for its maturity.
- High-level performance from northern Victoria to north Queensland, Northern Territory and the top end of Western Australia.
- Processing market grain quality gives flexibility of end use from silage, feed grain or processing.

P1729 is a reliable silage performer with flexible end use.
